

## Year 7

### My Brother is Making a Protest about Bread

#### By Michael Rosen

My brother is making a protest about bread.  
“Why do we always have wholemeal bread?  
You can’t spread the butter on wholemeal bread,  
You try to spread the butter on  
And it just makes a hole right through the middle.”

He marches out of the room and shouts  
Across the landing and down the passage.  
“It’s always the same in this place.  
Nothing works.  
The volume knob’s broken on the radio you know,  
It’s been broken for months and months you know.”

He stamps back into the kitchen  
Stares at the loaf of bread and says:  
“Wholemeal bread – look at it, look at it.  
You put the butter on  
And it all rolls up,  
You put the butter on  
And it all rolls up.”
